Families Involved in Religious Education

September 2020

As we all well know, this year has and will be a year that has new beginnings and endings. We all will have different experiences, challenges, opportunities and blessings. Although we can't change how others will be affected by these situations, we can control how we live out our lives as Catholic Christians. Winning souls for Christ is not easy, but it's our duty as disciples, to stand out, to step forward and to lovingly speak the truth. In this we are not alone. For over 2000 years, the Church has done this and will continue to do so until Christ's return. As we begin a new Religious Ed & school year, let us look to the Church to lead us and to Our Blessed Mother to guide us to all things in Christ. This week we celebrate several feasts to honor Mary, who always points us to her Son - the Nativity of Mary (Sept 8), The Most Holy Name of Mary (Sept 12), and Our Lady of Sorrows (Sept 15). Look to her as your guide and she will lovingly take your hand and show you the way.

Parents and caregivers,
We believe in you!

We believe in our mission to help develop strong Catholics who will change the world by bringing Christ to it.

We need your full participation.

We will provide the seeds and the tools.

You must prepare the soil of their hearts, plant the seeds, nurture them with love and understanding, water them with the Sacraments, feed them with the Eucharist and enrichment, protect them from the weeds of destruction and the insects that will eat away at their tender faith.

You are their guardians, their protection, their teacher.

We will guide you on the path, but you must choose to walk on it. We are ONE BODY in Christ!

“Be who God meant you to be and you will set the world on fire!” ~ St. Catherine of Siena
